FOREWORD

We, the annual staff of Troutville High School, have endeavored to preserve in this volume through words and pictures the memories of our 1954-55 school year. We present this Twenty-third edition of THE WARRIOR in the sincere hope that in years to come it may recall shared friendships, deeds, and events.

Dan Bolt

DEDICATION~

To you, Mrs. Elizabeth H. Maddex, we dedicate this, the twenty-third volume of "The Warrior". May this, in a small way, show to you our appreciation for the help you gave us when we came to Troutville as eighth graders. May it show our appreciation for the inspiration you have been to each of us in the years following our beginning days in high school. Because of these things we feel privileged to be able to dedicate this edition of The Warrior to you.

Congratulations, Warrior Staff, for a job well done. May your experience in working with this yearbook prove to you that anything worthwhile requires a great amount of time and labor. These you have given willingly and diligently. The fact that you have done so is evidence of pride in your work. The finished product of your labor proves this. May the experience gained by you in this work be an asset to you in your future.

I commend the Senior Class for your part in the publication of the "Warrior". I sincerely hope your attendance at Troutville has been a worthwhile and happy experience. I wish for each of you long and prosperous careers as citizens of our nation. May this yearbook serve in future years to remind you of your many friends and happy days at Troutville High School.

YEARBOOK STAFF

Bolt, Murray,

Mr. Yates, Rader.

With the publication of this "Warrior" another milestone in the coverage of events at Troutville High School has been passed. The job has been at times difficult, at times discouraging, at other times encouraging; but the reward has been great.

From the first time the staff met until the day the copy was sent to press, there were problems. But, at last, the final touch was put on the last page, and the results of many ideas and dreams were recorded permanently in this book. We hope that you will receive as much enjoyment from looking through it as we had in preparing it for you.

Our thanks are extended to Miss Elizabeth Stone, our English Instructor, for her help, and also to J. I. Yates for his assistance and encouragement as sponsor.

FOOTBALL

The Warriors unveiled their forces by beating the "Baby Wolverines" of Salem 22-6, with J. Rader scoring twice.

Sept. 13, they once again loosened their offensive and defensive talents by upending William Fleming JV's 33-0 with Garber and Rader both scoring twice.

The Warriors then fell victim 20-6 to the "Hornets" of Valley, with D. Rader scoring the lone tally.

By the way of proving their rebounding faculties, the Warriors vengefully ripped Eagle Rock's defense by winning to the tune of 35-7.

The next game was destined to be the second and final loss of the season to a Group II Franklin club by a score of 7-0.

Once again the Warriors took care of a Group II opponent, Central at Covington and won a surprising victory with D. Rader. Garber, Young, and J. Rader getting into the scoring column by winning 28-0.

In subsequent games, the Warriors swamped the Fincastle eleven 40-0, and the visiting Dunlap team 35-13.

The stage was set for the annual tilt between their arch rivals the Blue Devils of Buchanan to decide the Botetourt County Championship. The score at halftime was 7-0 with the Warriors in the lead. The Blue Devils took the lead in third period 12-7, but the Warriors, not to be denied, scored a final TD in the last two remaining minutes on a determined drive from the fifty yard line, with a final 12 yards being covered by a pass from D. Rader to B. Young.

And with this game ended the football career at THS for D. Bolt, D. Rader, J. Rader, P. Graybill, B. Young, B. Keesee, R. Rucker, and J. Arnold.

So the Warriors ended a very sucessful season winning the county Championship, with the season total points of 213 to opponents' 65.

"Have Faith---Go Forward"

We of Appalachian are happy to congratulate members of the graduating class at Troutville High School. On this memorable occasion, we urge you to adhere to the words and wisdom of Thomas A. Edison, one of the greatest Americans of all times.

Edison, inventor of the first practical incandescent lamp, hastened the dawn of electrical living you now enjoy. In his last public words, he gave a challenge to all of us. "Have Faith--- Go Forward".

Appalachian Electric Power Company

FINIS

Through the words and pictures of this book we have attempted to recreate for you the memories of the year. May most of the words you recall be the happy ones: "Yay Troutville!", "Go to the dance with me?", or "I got a part in the play!" May those words you thought of as being less happy: "Your assignment for tomorrow is-", "Report cards are due.", or "The team lost.", be regarded as a necessary and rewarding part of the whole picture. And so we reach our final word.

The End

Mr. Yates:

I have enjoyed knowing in your class. It has been nice knowing you and I am sorry for some of the trouble that I have caused you.

If you ever need to laugh just think of some of the funny things said in general Business class.

a friend,
Robert O.

Dear Mr. Campbell,

I am sorry that I have caused you so much trouble this year. I have enjoyed your class and I have learned a lot. I hope that you have a nice summer vacation and I hope that you will have a nice year next year.

Sincerely,
Dean Powell
